The accompanying notes form part of these financial statements.

Victorian Wine Industry Association Inc

Notes to the Financial Statements

For the Year Ended 30 June 2021

The financial statements cover Victorian Wine Industry Association Inc as an individual entity. Victorian Wine Industry Association Inc is a not-for-profit Association incorporated in Victoria under the *Associations Incorporation Reform Act 2012* ('the Act').

The financial statements have been prepared on an accruals basis and on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The functional and presentation currency of Victorian Wine Industry Association Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Government Grant income

Government grant income is recognised over the period upon which the project is delivered. Revenue is recognised for the same amount as the expenses incurred for each project for the same period. Any surplus or deficit at the end of the project is recognised at the end of each project. Any unspent government funding is classified as amounts received in advance as a liability until such time as the funds are spent.

This accounting policy is not consistent with the requirements of Australian Accounting Standards AASB 15 – Revenue from Contracts with Customers or AASB 1058 – Income of Not-for-Profit Entities. The Directors believe that the accounting policy adopted, whilst not compliant with Australian Accounting Standards, does better reflect the economic substance of government grant projects implemented by the Association.

Notes to the Financial Statements

For the Year Ended 30 June 2021

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Membership income

Membership income is recognised on an accruals basis over the period of membership. Should the Association receive membership income related to a period after the reporting date, that portion of membership income is classified as amounts received in advance as a liability until such time as the membership services have been provided.

Other income

Other income is recognised on an accruals basis when the Association is entitled to it.

(b) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(c) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

3 Revenue and Other Income

	2021	2020
	\$	\$
- Member subscriptions	186,387	190,583
- Government grants	1,838,918	1,786,184
Total Revenue	<u>2,025,305</u>	<u>1,976,767</u>

4 Finance Expenses

	2021	2020
	\$	\$
Bank charges	280	430
Total finance expenses	<u>280</u>	<u>430</u>

Notes to the Financial Statements
For the Year Ended 30 June 2021

5 Cash and Cash Equivalents

	2021	2020
	\$	\$
Cash at bank	760,772	738,101
	<u>760,772</u>	<u>738,101</u>

6 Trade and other receivables

	2021	2020
	\$	\$
CURRENT		
Trade receivables	123,048	213,748
Provision for impairment	-	-
Total current trade and other receivables	<u>123,048</u>	<u>213,748</u>

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

7 Other Liabilities

	2021	2020
	\$	\$
CURRENT		
Amounts received in advance	73,000	741,244
	<u>73,000</u>	<u>741,244</u>

Notes to the Financial Statements

For the Year Ended 30 June 2021

8 Contingencies

Contingent Liabilities

Victorian Wine Industry Association Inc had the following contingent liabilities at the end of the reporting period:

There were grant instalments invoiced in the 2019 financial year that were delayed due to deferrals, then deferred indefinitely due to COVID-19 and other global complications, for which these grants were issued. These invoices were raised during the lifecycle of the agreements and it is the belief of Victorian Wine Industry Association Inc. that these will be received in the future. However, given the age of these instalments to be received and the ongoing complications, a contingency has been raised as to the collectibility of these instalments. These instalments to be received amount to \$42,748, which is currently presented in trade receivables. These agreements in question have been subject to renegotiations between the relevant bodies and the outcomes will either be a revised agreement, for which these instalments will also be revised, or the agreements will cease and the amounts to be received will be written off.

Other than the above, no further contingencies exist for the Victorian Wine Industry Association Inc.

9 Events after the end of the Reporting Period

The financial report was authorised for issue on 05 October 2021 by the Committee of Management.

Committee members believe that the rapid escalation of COVID-19 and stage 4 government restrictions may adversely affect the operations of the business. At this stage specific details of the impact of the escalation and government restrictions have not yet been determined.

Except for the above, no matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Victorian Wine Industry Association Inc

Statement by Members of the Committee

The committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

- 1. Presents fairly the financial position of Victorian Wine Industry Association Inc as at 30 June 2021 and its performance for the year ended on that date.
- 2. At the date of this statement, there are reasonable grounds to believe that Victorian Wine Industry Association Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President
Angie Bradbury

Treasurer [Hayley Purbrick \(Oct 7, 2021 20:43 GMT+11\)](#)

Dated 7 October 2021

Victorian Wine Industry Association Inc

Independent Audit Report to the members of Victorian Wine Industry Association Inc

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report of Victorian Wine Industry Association Inc (the Association), which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by members of the committee.

In our opinion, the accompanying financial report of the Association for the year ended 30 June 2021 is prepared, in all material respects, in accordance with the Associations Incorporation Reform Act 2012.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the Association in meeting the requirements of the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the Association and should not be distributed to or used by parties other than the Association. Our opinion is not modified in respect of this matter.

Emphasis of Matter - Revenue Recognition

We wish to draw to your attention that the Association has adopted an alternate accounting policy in relation to the timing of recognition of revenue to that required by the Australian Accounting Standards. This policy effects the timing of revenue recognition and therefore could impact the result of the Association. Please refer to note 2(a) of the financial report for further details of this policy.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Reform Act 2012, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Victorian Wine Industry Association Inc

Independent Audit Report to the members of Victorian Wine Industry Association Inc

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

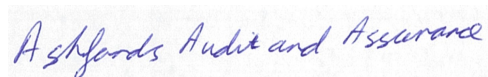

Victorian Wine Industry Association Inc

Independent Audit Report to the members of Victorian Wine Industry Association Inc

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
